

### REMARKS

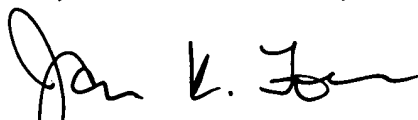

Applicants respectfully request approval of the above-noted amendment to the Specification. The proposed amendment to the Specification adds the language required by 37 C.F.R. §1.84 when color photographs are present in an application. As such, the proposed amendment is merely formal in nature, does not add new matter, and does not affect the scope of the claims. Therefore, Applicants respectfully submit that entry of the proposed amendment is permissible, and such entry is respectfully requested.

Should the Examiner be of the opinion that further clarification is necessary, or that outstanding issues exist, the Examiner is invited to contact the undersigned attorney.

Respectfully submitted,
